

Bunyod-Tour Profile

Bunyod-Tour LLC

- Bunyod-Tour LLC was founded in 2017 and is one of the leading tourism companies in Tajikistan and Central Asia. The company specializes in organizing tours and other travel services throughout Central Asia.
- Our Company provides a wide range of tourism services, including group and individual (personal) tours, excursions, domestic and Central Asian, as well as cultural, historical, ecological, adventure, etc.
- Our [website](#) operates as a Central Asian tourism platform and is an online sales portal for five types of tourism products: (1) tours, (2) excursions, (3) tour guide services, (4) transfers, and (5) B2B partnerships. In the "Create Your Tour" section, you can also design a personalized tour according to your preferences and needs.

Bunyod-Tour LLC

Bunyod-Tour has developed over 150 travel programs in collaboration with 50 national and regional companies (our partners in various countries), enabling us to fulfill the wishes of our guests (tourists). Since September 2019, Bunyod-Tour has been a member of PATA (Pacific Association of Travel Agents), and since August 2025, a member of WTTS (World Travel and Tourism Society), demonstrating its commitment to professional development and global connections.

Bunyod-Tour LLC

- **Our awards:** In 2023, the Bunyod-Tour team was awarded a certificate from the Dushanbe Mayor's Office for implementing the best initiatives and contributing to the development of Dushanbe's tourism infrastructure. In 2024, the Committee for Tourism Development under the Government of the Republic of Tajikistan awarded the first-degree diploma "Best Website in the Field of Tourism." In 2025, the Committee for Tourism Development under the Government of the Republic of Tajikistan awarded the third-degree diploma "Best Organization Providing Tourism Services in Tajikistan."
- **Our reputation:** Our team has worked diligently to reach its current level of development, and we continue to expand, ensuring our reputation remains strong. Our company is featured on several international search and travel platforms, including [Google](#), [Tripadvisor](#), and [GetYourGuide](#).

WHY ARE WE?

1. Our policy is to provide all guests (tourists) with an atmosphere of trust, comfort and fair treatment. We comply with legal regulations, ethics and generally accepted international standards, as well as practices for providing services and mutual settlements. We are always happy to receive suggestions from tourists on how to improve the quality of our services.
2. We are a local company based in Central Asia, and we believe that we know our region, service market, culture, customs, etc. better than anyone else, which is why we are better able to welcome and serve our guests (tourists).
3. Our travel products are distinguished by their high quality, realism, and affordable prices, as we regularly update prices in line with the regional travel market.
4. We interact directly with customers (B2C), anyone can book tours directly on our website without the involvement of third parties.
5. Our website is presented as a tour services store with a huge variety of options, where everyone can find and instantly book a tour product that suits them.

WHY ARE WE?

6. On our website, anyone can book affordable tourist services such as excursions, tour guide services, transfers, or create his or her own tour.
7. We offer a variety of tourism products: private, group, excursion, regional, and combined (in all countries of Central Asia).
8. We provide professional, certified, and experienced tour guides who speak English, Russian, Chinese, and Persian.
9. As part of our B2B partnership, anyone can collaborate with us as a Tour partner (Tour agent). Simply visit our website and register.
10. Our website is one of the first in the region to function as an online booking and payment system.
11. Our website offers several online payment methods, including Visa, Mastercard, cryptocurrency, MIR, and Korti Milli.
12. We are proud of our company's reputation; our achievements can be found on several international internet portals, such as Google, TripAdvisor, Trip.com, Viator, GYG, and others
